In 1985 company LUNDAGER was established in Western Jutland Denmark by present owner Ove Lundager. We moved to Odense in 2004. In September 2022 we took over company TINGDAL. At this moment we produce over 20 million mini plants and approx. 4 million plants in other sizes. Our production area is 120.000 m². In our product program you will find over 400 different varieties in order to give joy to our customers. We believe that flowers and green plants improve quality of your life, clean air in your home and at your job, create aesthetically moments. LUNDAGER's vision is to be the preferred supplier of mini green plants in Europe.
